Description

7' X 14' LEGEND ALUMINUM UTILITY TRAILER

(Tires are Balanced)

The aluminum Open Deluxe may be the best built aluminum utility trailer available. ATV.com cited the Legend build quality when it named the Open Deluxe one of the 5 best UTV trailers.

Legend build quality is obvious with the standard aluminum 4" tube frame, 2" x 3" floor cross members, aluminum triple tube tongue and 2" x 2" aluminum tube side and top rails.

The Dexter 4" drop spring axles and heavy duty aluminum rear gate makes loading toys and equipment a breeze. Customize your loading options by adding a bi-fold rear or side gate.

The nitrogen filled radial tires maintain more consistent pressure improving performance and extending the life of the tire. Legend is proud to offer the absolute best tire and wheel warranty in the trailer industry on ALL Legend models.

Aluminum 3" Tube Perimeter Frame (5'-6' Wides)

Aluminum 4" Tube Perimeter Frame (7' Wide)
